Clark Lowery-nothing

Joy Yarbrough-nothing

Waunesa stated that she had contacted Windstream and told them the City was waiting on them, before they could move into the new building. Windstream stated they would have our service ready at the new location on February 1, 2019. So that would be when office would be moving to the new location. The next cycle of grants for the juvenile case manager fund is due February 28, 2019. The Juvenile Case Manger Grant would be depositing around \$6,000 in the general account in January 2019. They had changed the date on when the water grant was due from February to March. The audits for 2015, 2016 and 2017 would be finished by the end of February 2019. The City has to have the 2017 audit finished to be able to file for the current water grant. There are still a few bills due the Auditors are messing with her quick books and she was not able to have them ready for the meeting. Waunesa stated is going to the Election Law Seminar and Aimee was going to Municipal Court class this month. Carlos asked when the next teen court would be. Aimee told him. Carlos asked Aimee how many kids did they have in teen court. Aimee said about 21 kids.

Aimee stated how she had a meeting with Huntington ISD, they were going to start sending their truancy thru Teen Court. So instead of having Teen Court once a month, it would be twice a month.

COUNCIL REPORTS

Randall-Nothing

Stacy Marshall stated she didn't oppose the raises, but it was the way it was presented. Also, when she asked about the \$15,000 that was paid on the Tahoe, she was told that it was due in January 2019 and in reality, it was due in March of 2021. Stacy stated she did not like for someone to lie to her. She asked if the City had gone out for bids on the sign that was to go in front of the new City Hall Building. Carlos stated no, did she want him to. Stacey stated it was too late, but she thought the City was suppose to out for bids. The Citizens of Zavalla asked for two things good roads and water. She thinks if the City would quit spending money foolishly, we could accomplish this.

Kelly-Nothing

Brenda-Nothing

Pam was concerned about our water situation. Are things being done correctly. Are there things that is being done that will get the City in trouble. Pam stated that she was told that there were numbers being wrote down wrong and is that going to get the City in trouble. Was it because the guys didn't know to write the number down or what? Clark said it would not happen again.

STAFF REPORTS

Chief Chris Wade read his report. Chris stated the ticket writers are in. He has to be trained, then his Officers and then the Court. Having Animal Problems, need to put in the budget next year for animal control. Richard Brunk claimed the City needed to do animal registration. Richard stated that animal registration would off-set the cost of animal control. Chief Chris Wade agreed with Richard.

Daryl stated the water department had repaired some water leaks. They had cleaned the water tanks on Marshall and repaired the leaks they had. Daryl stated they had changed out some faulty water meters. Water usage was down. Pam wanted to know what was making the Water brown. Daryl stated the City got fined for the THM'S. The City is under an Agreed Order with TCEQ. As long as the City passes the THM'S for one year. Daryl stated the him and Joy had discovered the sight on second street was at a dead end, because a valve had been turned off. He turned the valve back on and put a timer on a faucet to turn the water on and off at the location. Daryl said the second site that had high THM'S was located on Durham Ranch so he put a timer on it. Hopefully it brings the THM'S down. Pam asked Daryl if he had a pump to pump water out of a ditch if need be to see if there was a water leak.

Joy stated she had sent several reports to TCEQ. The Water Department sent out the Consumer Confidence Report to everyone. Joy stated she was looking into a call out system for the Water Department and that Judge Alston said the Court could probably use it too and they would pay half of the cost.

Caleb, he said he had the same thing as Daryl said.

Waunesa stated she was waiting on Scope of Work Modification Approval from FEMA, when this occurs the City can move forward with the Generator Grant. She had talked Bill Langley with TML and he

stated that if the City went out for different Health Insurance, they would have advertised it in the Paper. She was also told that the City would have to go through a Broker's Insurance, so she called Davis Insurance and they said they could not beat the price of TML'S Health Insurance. Waunesa stated she finally got the contracts with the Work Force Solutions completed. If someone was interest in the SEAL and WIOA programs, they would have to go to the Work Force Solutions and fill an application there.

COUNICAL REPORTS

Randall want to say a Thank You to everyone for their Prayers for what his family just went through last month. This City always stands together when need be.

STAFF REPORTS

Chief Chris Wade read his report and said everything is routine.

Daryl said the Water Department has really been busy changing out water meters. They fixed a major water leak out on HWY 69. County offered for the City to use their boom mower, but they have been too busy to mow. Two Work Force Employees are working out goods. Fixing water leak on First Street tomorrow. Daryl had look into different options on mowing. He got a bid on the fixing the mower they have now it was \$7,000 and another is coming out to look at it and give another bid. Tractor is doing great. He needs an Engineer Study for the Sewer Plant. TCEQ came out and did an inspection. The Sewer Plant Department has two alleged violations, if they are not address, the City of Zavalla will be fined. One is a pump and the other is the Sewer Plant needs an Engineer Study on the Sewer Plant. Waunesa explained how Megan Mitchell had a big water leak, her mail had returned, Waunesa called the number on file, no one answered so she had the Water Department turned the Water off, until Megan Mitchell can fix the leak. It is a big leak. Waunesa told that the City of Zavalla received 200 yards of rip rap from the State. The County haul it for the City, the County charged the City 20 yards of rip rap for transporting the material for the City. The generators are installed and filed the papers to get FEMA to pay their portion on the generators that were installed. Waunesa stated that Ray Vann had called and left a message stating the City of Zavalla was rated #20. The TCDBG approved 11 in 19, they normally approve half the first year, Ray thinking they will do 22 grants so in 20 the City of Zavalla should be approved for the Water Grant they applied for. Waunesa stated she received an email from the Texas Development Water Board on the Water Tank loan the City had applied. We are going to the next step.

STAFF REPORTS

Waunesa said the Christmas Parade was Saturday and everyone was Welcome and anyone that wanted help hand out fruit could.

Chief Chris Wade read his report and said everything was going well. They had some mandated classes they were going to have to go to. Troopers were coming to help with the parade and all side roads would be closed during the paraded. Cody had some comp time built up and he made him take some time off.

Caleb stated they got the water leak on North First Street fix. Denita asked him had he seen the alligator lately. Caleb said no.

Brother J. P. Hopkins gave a report on the Food Bank. He stated they gave out less food for the year. That shows people are working. The is produce gave out at the First Baptist Church every month.

Council Reports

Stacey stated that she was told the reason no one has seen the alligator is because it is cold and they are hiding. She had talked to the Game Warden about the alligator and he had some recommendations if the City could not get the Biologist to come back. The City of Zavalla could get with Texas Parks and Wild Life and get a permit to hunt the alligators and maybe raffle off an alligator hunt.

Tom would like to thank the road crew for fixing the road to the fire department. He would like to invite everyone to the Parade of Lights.

Pam stated that someone had asked her if the City could put a cable up at the back of the City Park. Chris stated the City would have to make sure, the City was not blocking an easement. Tom wanted to know why the City would have to spend money fixing the cable across the back of the City Park, when it would not benefit the City none. Pam stated someone asked her to mention it and she did. Pam asked about the Christmas Lights.

Denita thank everyone and she would like a little more patrol on her road.
